REFERENCE: MID-YEAR REPORT (01/01/2013 - 06/30/2013)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Commission records indicate that your official address is different from the address disclosed on the Summary Page of this report. If your committee has changed its address, please disclose the new address on an amended Statement of Organization or check the address-change box on the Summary Page of your report to indicate an address change. Please provide clarifying information regarding this discrepancy.
2. Your report does not include a Schedule H1 to disclose the ratio for the allocation of certain costs. Separated Segregated Funds and Nonconnected committees that choose to allocate administrative expenses, generic voter drive costs and expenses related to public communications referencing any party committee (but no clearly identified candidates), should disclose the allocation ratio applied to these expenses on Schedule H1. 11 CFR §104.10(b)(1)

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
